Dear Mr Munro

Thank you for your letter of the 6<sup>th</sup> March 2007 regarding dog waste bins. We note that you were going to look into the option of relocating under used dog waste bins from other places in the Worthing area.

Please could you update us on the progress of this option.

I would like to take this opportunity to inform you that at our AGM on Friday 27<sup>th</sup> April 2007, it was mentioned by our members that the problem with dog waste has got worse, including now the west side of the valley. It was suggested that more signs needed to be put up around the roads as this is where the issues are.

I look forward to hearing from you.

Yours sincerely

David Goncalves
