Lancing
BN15 8TA

8th February 2008

Dear Mr Willis

We have received complaints from our residents that, since the bottle banks at Bost Hill, Thomas 'a Beckett and the Black Horse have been removed, and recycling bins provided for Findon Valley households in the area served by Arun Council, there is a problem for those residents in the area served by Adur Council (north of the quadrangle). There is now no facility for the disposal of their recyclable waste.

I should be grateful if you would let me know what plans are in hand to remedy the situation.

I look forward to hearing from you.

Yours sincerely

David Goncalves
Chairman
